

**DO YOU WANT YOUR WALLS TO BE MORE THAN BRICK AND MORTAR?**

**GALLERY ONE EIIIIEVEN** is hosting Houston muralist Anat Ronen for a workshop during MAYFEST 2019. Her murals are featured across the country, in Europe and Asia, and you can take advantage of her visit to Vernon Parish to discuss improving your bottom line by making your business an Art Focal Point with a custom mural, either inside or outside your business!

**If you think your business can handle increased traffic, sales and chatter on the street, contact Anat and see what she can do for you!**
