

STATE OF LOUISIANA

9TH JUDICIAL DISTRICT COURT

v.

PARISH OF RAPIDES

JASMINE VICTORIA ANDERSON

DOCKET NO. 344,659, DIV. "B"

FILED: _____

BY: _____

MOTION FOR APPOINTMENT OF SANITY COMMISSION

NOW INTO COURT, through undersigned counsel, comes **JASMINE VICTORIA ANDERSON**, defendant in the above captioned proceeding, who files this motion and avers as follows:

1.

Defendant was arrested on or about July 23rd, 2019 for Second Degree Murder.

2.

Louisiana jurisprudence requires the Court make inquiry into the mental competency of the Defendant who is charged with a crime, particularly if that issue is raised by counsel.

3.

According to local news reports, specifically www.KALB.com, the facts of which undersigned cannot contradict, Ms. Anderson “was picked up on Tuesday morning in Bunkie from a mental health facility”; according to the news report, this information was provided by the Alexandria Police Department. Further, undersigned was made aware of another child of Ms. Anderson that passed away recently. With these two allegations of fact, it is evident that Ms. Anderson’s mental competency may be compromised.

4.

Based on the above, undersigned counsel requests that a Sanity Commission be appointed by the Court.

WHEREFORE, Defendant prays this Honorable Court appoint a sanity commission in accordance with the law.

Respectfully submitted,
