Wiener Fest 2018 Logo Design Contest

COLLEGE STATION, TX - Aggieland Humane Society is excited to announce the 12th Annual Wiener Fest! Wiener Fest 2018 will take place October 13th – 14th at Wolf Pen Creek Amphitheater in College Station, TX.

This year we are asking for the community's help in designing our 2018 logo! From February 12th to April 4th, 2018, Aggieland Humane will be accepting designs for the new logo. The winning design will be featured on all promotional materials used for Wiener Fest 2018.

There is an application form on our website and a full listing of the rules and previous year's designs. For those interested in entering the competition, please visit <https://aggielandhumane.org/wienerfest/wiener-fest-design-contest/>.

Wiener Fest began in 2007 at Veterans Park in College Station, TX as an opportunity for Aggieland Humane to raise money for homeless pets and to create a fun community event to increase awareness of the organization. Wiener Fest has continued to serve the Brazos Valley for over 10 years as a unique gathering for dog lovers of all breeds. From Wiener Races to Wanna-Be-Wiener Races, Wiener Fest has something for everyone. Part of the Aggieland Humane mission is to "promote the human-animal bond" and this event serves that purpose year after year as families spend the day in the park with their pets, enjoy the costume contest, races, food trucks, and pet-related vendors!
