

KVLY/KFYR/Gray Television: North Dakota Survey

Strategic Research Associates, LLC

10/21/2018

The poll was conducted by Strategic Research Associates, LLC, based in Austin, Texas. A total of 650 likely voters were surveyed between October 12-19, 2018. Determination of the likely voter sample was based on past vote history. Respondents were contacted by live interviewers, with 50% of calls completed on a landline telephone and 50% completed over a cellular telephone. The final results are weighted based on analysis of available electoral and commercial data. The margin of error for the complete sample is +/- 3.84 percentage points, with higher margins of error for any sub-group.

The poll asked North Dakotans about the constitutional measures on the ballot in 2018:

- 42% expressed support for measure number one, which would establish an ethics commission, ban foreign political contributions, and enact provisions related to lobbying and conflicts of interest. Thirty-four percent expressed opposition, while 24% were unsure how they would vote.
