13 Petitioner,

14 and

15 MELANI BOUDREAUX,

16 Respondent.

**FATHER'S RESPONSE TO MOTHER'S  
PETITION TO MODIFY LEGAL DECISION  
MAKING, PARENTING TIME AND CHILD  
SUPPORT**

*(Assigned to the Honorable Rodrick Coffey)*

17 Petitioner, **BRANDON BOUDREAUX** (hereinafter "Father"), by and through  
18 his undersigned counsel, hereby submits his Response to Mother's Petition to Modify  
19 Legal Decision-Making, Parenting Time, and Child Support, and states as follows in  
20 support hereof:

- 21 1. Father admits the allegations of Paragraph 1 of Mother's Petition.
- 22 2. Father admits the allegations of both Paragraphs which are numbered 2 of  
23 Mother's Petition.
- 24 3. Father denies the allegations as written in Paragraph 3 of Mother's  
25 Petition. Father asserts that Mother chose to leave Arizona in the dark of night and

1 conceal her whereabouts from Father and the children. Father did file and was granted  
2 emergency custody of the children and Mother's parenting time is currently suspended.  
3 Mother is being investigated for numerous felonious acts across numerous jurisdictions,  
4 some of those acts include the attempted murder of Father.

5         4. Father admits the allegations of Paragraph 4 of Mother's Petition.

6         5. Father denies the allegations as stated in Paragraph 5 of the Petition.

7  
8 Mother was fully aware of the pending litigation against her and yet she made no effort  
9 to appear for any hearings or to contact counsel for Father's office to arrange for  
10 personal service.

11         6. Father denies the allegations of Paragraph 6 of Mother's Petition. Father  
12 asserts that at no time has Father provided false accusations or allegations regarding the  
13 severity of the imminent risk of harm the children are at if left in the care of Mother  
14 unattended. Mother's new husband has even provided statements to law enforcement  
15 that Mother told him shortly after their marriage that she conspired with her uncle to kill  
16 Father. Mother's new husband has even given up his own parenting time out of fear of  
17 what Mother may do or have done to his children.  
18

19         7. Mother is currently under investigation regarding the attempted murder of  
20 Father. Mother's new husband has reported to law enforcement that Mother revealed to  
21 him shortly after their marriage that she conspired with her uncle to kill Father. Mother  
22 is also under investigation relating to the disappearance of her aunt's two missing  
23 children.  
24  
25

1           8.     Father denies the allegations of Paragraph 8 of Mother's Petition as  
2 written.

3           9.     Father denies the allegations of Paragraph 9 of Mother's Petition. Father  
4 asserts that Mother had a Million Dollars of reasons to have Father killed. The parties'  
5 Consent Decree had not been submitted to or entered by this Court at the time of the  
6 attempt on Father's life and Father believes that Mother was hoping to cash in on that  
7 policy to help support the cult that she is believed to be a part of.  
8

9           10.    With respect to the statements contained in Paragraph 10 of Mother's  
10 Petition, Father finds it interesting that Mother, now, months after the attempt on  
11 Father's life that Mother is in fear for the children's safety in Father's care. Father  
12 asserts that he continues to have serious concerns over the lives of his children if they  
13 were to be placed in the care of Mother for any length of time unsupervised. Mother is  
14 involved in a cult where numerous members, adults and children alike, have been being  
15 killed off like flies. Mother's knowledge of the whereabouts of her aunt's two missing  
16 children and her unwillingness to cooperate with law enforcement in finding those  
17 children, is daunting to Father. Mother's current husband has told law enforcement  
18 something to the effect that Mother says sometimes children are full of light and then  
19 just like that they go dark.  
20  
21

22           11.    Father adamantly denies the allegations of Paragraph 11 of Mother's  
23 Petition.  
24  
25

1           12.     Father adamantly denies the allegations of Paragraph 12 of Mother's  
2     Petition. If anything, Father was more distraught over the fact that Mother was involved  
3     in the plot to have him murdered than angered by the fact that she did.

4           13.     Father denies the allegations of Paragraph 13 of Mother's Petition.

5           14.     Father denies the allegations as written in Paragraph 14 of Mother's  
6     Petition.

7  
8           15.     Father denies the allegations of Paragraph 15 of Mother's Petition. Father  
9     asserts that Mother is heavily involved with a doomsday cult located primarily out of the  
10    town in which Mother currently resides. Mother left Arizona almost immediately after  
11    the attempt on Father's life, leaving without a trace and leaving her children behind.  
12    Mother only now comes forward as she feels that the suspicious death of her uncle who  
13    was the shooter in the incident involving children, has somehow freed her from her role  
14    in the attempt on Father's life. This is simply not the case.

15  
16          16.     Father denies the allegations of Paragraph 16 of Mother's Petition.

17          17.     Father denies the allegations of Paragraph 17 of Mother's Petition. Father  
18    is the only parent who is currently safe for the children to be with.

19          18.     Father denies the allegations of Paragraph 18 of Mother's Petition. Again,  
20    it was only after the death of Mother's uncle that Mother chose to come forward in this  
21    case as she feels that her uncles' death will free her from any guilt she may have with  
22    respect to the attempted murder of Father.

23  
24          19.     Father denies the allegations of Paragraph 19 of Mother's Petition as  
25    written.
