Re: *Your letter from April 8, 2020*

Dear Mario:

Thank you for your letter dated April 8, 2020. In your letter you requested guidance on how to comply with Mandate 11 during the annual Good Friday Faith Walk that is schedule for April 10, 2020 in celebration of the Easter Sunday.

Upon review of the Mandate and your letter I am writing to let you know that we do not see an issue with the Good Friday Faith Walk occurring as planned so long as the following parameters are followed:

- Family and non-family members, must not be in groups larger than 10 people;
- Persons in the groups must maintain social distancing of at least six feet apart from each other and from the other groups; however, families walking in a group may walk closer together;
- That the cross be sanitized before a new person is allowed to carry it on the walk. You must clean and sanitize with solution that is at least 60% alcohol before a new cross bearer may take over;
- Participants should wear face masks; and
- Hand sanitizer should be available for participants.

Thank you again for your letter, I hope that this will provide you with the necessary guidance to continue this event.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kevin Clarkson".

Kevin G. Clarkson  
Attorney General
