Information Release

On April 9, 2018, at approximately 4:15 am, a child was brought to a local hospital who was unconscious and not breathing. Attempts to revive the child at the facility were unsuccessful.

The Fergus Falls Police Department and the Minnesota Bureau of Criminal Apprehension are currently investigating the death. The circumstances surrounding the child's death appear to be suspicious.

The victim has been taken to the Ramsey County Medical Examiner's Office for an autopsy.
