

Dear Jordan,

Thank you for submitting an Orientation reservation!

We have reserved an Orientation spot for you on . On this day, you will learn about student finances and other student services, meet with an academic adviser, register for classes, learn about campus life, and connect with fellow NDSU students.

Please carefully read the details below for important information about your student record, placement information, how to get here, what to bring, and what to do before you arrive.

YOUR STUDENT INFORMATION

N.D. Univ
System
ID:

MATH AND ENGLISH PLACEMENT

Students are placed in math and English courses based on ACT (or SAT) subtest scores. The goal is to place students in courses that are both challenging and for which they are adequately prepared. **The placement information below does not reflect dual credit, Post Secondary Education Option (PSEO), Advanced Placement (AP) or transfer credit. If you have these types of credits, be sure to have official scores and/or transcripts sent to the NDSU Admissions office.** At this time, the scores below should be used to determine if further placement testing is needed.

Math Placement:

Math ACT Sub Score: *or* MATH SAT Sub Score:

Based on your math ACT sub-test score or your combined SAT math and reading score, you are eligible to enroll in **Math 98 (Intermediate Algebra)** per the North Dakota University System Policy 402.1.2. Students who are not transferring in college-level math credit should take the NDSU Math Placement Test at least 48 hours before their scheduled Orientation to determine eligibility for higher level placement.

Please review the [NDSU Math Placement Test Instructions](#) before taking the test. More details about math placement procedures at NDSU are on the [NDSU Math Placement Procedures page](#).

Based on your math ACT sub-test score or your combined SAT math and reading score, you are eligible to register for **Math 98 (Intermediate Algebra)** per the North Dakota University System Policy 402.1.2. Students who are not transferring in college-level math credit should take the NDSU Math Placement Test. The NDSU Placement Test will become available to you and instructions for how to access the test will be sent to you within about a month of your orientation date. Additional details about math placement procedures can be found on the [English and Mathematics Placement page](#), and questions can be directed to One Stop at (866) 924-8969 or ndsu.onestop@ndsu.edu.

Students requesting accommodations based on disability should contact NDSU Disability Services about the process. Application and eligibility details can be found at [Disability Services](#) or by calling (701) 231-8463. It

can take up to two weeks to process accommodation requests with proper documentation. Please note exams taken without accommodations will count as valid attempts.

English Placement:

English ACT Sub Score: or **Writing SAT Sub Score:**

Based on your English ACT sub-test score or your SAT writing score, you are eligible to enroll in **ASC 87 (College Writing Prep II)** (Offered collaboratively with North Dakota State College of Science on the North Dakota State University campus). Students who believe that their abilities are higher than the placement into ASC 87 can contact NDSU One Stop at 701-231-6200 for information about taking an English placement exam to challenge their initial placement.

WHAT TO BRING

- **N.D. University System ID and password.** Select "Step 1" to claim your N.D. University system account. Your system account allows you access to Campus Connection, the system students use to view and accept financial aid awards, register for classes, purchase parking permits, view account balances and much more. Please contact the N.D. University System Help Desk with any questions at (866) 457-6387 or ndus.helpdesk@ndus.edu
- **Electronic ID and password.** Select "Step 2" to activate your electronic ID. Your electronic ID allows you access to campus computer clusters and Blackboard to take the online Math Placement Test (if applicable). If questions arise, contact the NDSU IT Help Desk at (701) 231-8685 or ndsu.helpdesk@ndsu.edu
- **Transcripts** of any college course work completed since admission to NDSU (official transcripts must be sent directly from previous institution(s) to the Office of Admission, NDSU Dept. 5230, P.O. Box 6050, Fargo, ND 58108).
- **Picture ID** to obtain an NDSU ID Card. Student accounts will be charged \$20 for the ID card.

OTHER THINGS TO REMEMBER

- **Set up and check your NDSU email account.** Select "Step 3" to set up your NDSU email account. Email is an official form of communication from the university. Please check it regularly so you don't miss any important messages.
- **ID card photo submission.** Please submit your photo for your NDSU ID Card at least 24 hours prior to your Orientation arrival.
- Complete your **Financial Aid Checklist**, including entrance loan counseling (if applicable).
- **Submit your immunization records.** Students enrolled at NDSU must provide immunization documentation for measles, mumps, and rubella (MMR) including two doses after one year of age and proof of immunity against meningococcal disease after age 16. Students who have lived or traveled outside the United States for 30 days or more are asked to contact Student Health Service (SHS) to ask if a tuberculosis screening is needed. Documentation must be submitted to SHS before the start of classes. For information about turning in your records, please visit the [SHS website](#). For any questions about immunizations call (701) 231-7331 or email ndsu.immunizations@ndsu.edu.

We look forward to seeing you on . Please contact our office at (800) 488-6378, menu option 2 if questions arise.

Best Regards,
