Disposition - STAFFORD POLICE DEPARTMENT: N

While conducting a property check at the Courtyard Marriott I conducted a welfare check on a subject identified as Wilson, Shakira (B/F TXDL#) Wilson stated her boyfriend who was later identified as Blanchard, Travor (B/M TXDL#) got into a vebal arguement at Pappdauex. Wilson stated the argument was verbal only. Wilson stated the two argued about a female contacting Blanchard. The two then paid for their bill and walked outside. Wilson stated Blanchard took her vehicle keys from her and walked away. At this time Blanchard walked to the scene and I had him wait on the side of the curve to finish speaking to Wilson. Blanchard made the same statement as Wilson but stated he didnt have her keys. Wilson then contacted her mother Fisher. Anna (c-) to bring a set of keys. I had an officer come by to look for the set of keys but he was unable to locate the keys. I then had the two seperate for the time being. Fisher arrived a short time later and Wilson then changed her story stating she had a small cut on her pinky finger from Blanchard pulling away the keys from her. Fisher stated the Blanchard has two cases of Family Violence of of Waco, TX. Fisher then stated she would be giving Blanchard a ride to there residence in Katy, TX, so a friend can pick him up rfrom there. Units back in, no report.
