

Ozark Empire Fairgrounds E-Plex

Saturday, April 14, 2018

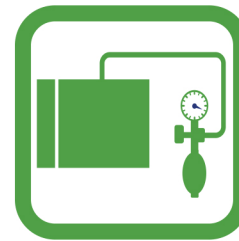

9 am til 3 pm

The 6th Annual Safe & Sound Saturday event will take place on April 14, 2018 at the Ozark Empire Fairgrounds in Springfield and this year will expand on the mission of delivering "Safe" information to families in the Ozarks, as well as increasing the awareness of "Sound" lifestyles during our "6 Hours to Safety".

From the weather to health, business to recreation, regardless of the topic, providing a Safe and Sound environment is important to everyone.

KY3-KSPR-Ozarks CW will again bring together a day of awareness, helping share the message of living safer, sounder lives to one of the largest one-day events hosted annually in the Ozarks. More than 10,000 were in attendance in 2017.

If your business is about providing this type of information, then you'll want to be a part of this special event, which is again FREE to the public.

Exhibitor space will be more limited than ever this year, so don't delay in booking your booth today.

To reserve space:

Call: **417-402-9876**

Email: **MasterfulEventsMO@gmail.com**
