Press Release

North Meadow Drive Homicide - #1

On February 18, 2017 at 2334 hrs deputies of the St. Croix County Sheriff's Office responded to 733 North Meadow Drive in Hudson Township for a report of a violent domestic dispute with a 28 year old sibling having stabbed one family member and beaten another with a stick. The family (except for the mother) had taken shelter in a garage on the property.

Upon arrival deputies learned that the mother was still inside the residence along with the armed sibling. Deputies made entry, located the mother who was suffering obvious stab wounds and removed her from the residence and took her to a waiting ambulance. She was then pronounced deceased. The mother has been identified as Charlene Wold age 49. After an extensive search of the area deputies were unable to locate the suspect at the scene. It was determined that the suspect was likely driving a White Pontiac Grand Am and had fled the scene prior to the deputies' arrival.

The investigation concluded that the suspect was 28 year old Logan T. Reese of 745 1st Street in Glenwood City Wisconsin.

At approximately 0046 hrs as deputies were driving to the suspects address the St. Croix County 911 Center received a 911 call from a neighbor reporting a fire in the suspect's apartment.

At approximately 0115 hrs an officer with the Woodville Wisconsin Police Department observed a white Pontiac Grand Am driving on US Hwy 12. As the officer was following the suspect vehicle (without emergency lights activated) and waiting for additional units to arrive, the suspect shot out of his vehicle in the direction of the Woodville Officer. The Woodville Officer then activated his emergency equipment and engaged in a pursuit of the suspect. Also involved in the subsequent pursuit and efforts to deflate the suspects tires with tire deflation devices

were St. Croix County Sheriff's Deputies, the Baldwin Police, Hammond Police, Polk County Sheriff's Deputies, Amery Police, St. Croix Falls Police, and the Chisago County Minnesota Sheriff's Deputies. The pursuit covered over 50 miles through St. Croix and Polk Counties in Wisconsin and ended in Chisago County Minnesota. During the pursuit the suspect fired multiple rounds at law enforcement before crashing into a median barrier on US Hwy 8 in Chisago County Minnesota. Upon crashing more shots were fired by the suspect.

At approximately 0205 hrs the subject was found deceased inside the vehicle with what appeared to be a self-inflicted gunshot wound to the head.

This is a very complex case and it remains under investigation. The St. Croix County Sheriff's Office is leading the investigation for the occurrences in Wisconsin and the Chisago County Minnesota Sheriff's Office is leading the investigation for Minnesota.

No other information is being released at this time.

"Our hearts go out to the family in this case. I would also like to thank the various agencies who assisted and continue to assist my office with this investigation" said St. Croix County Sheriff John Shilts.
