Subject: Government Sentencing Exhibits
Attachments: SENTENCING EXHIBITS.docx

Counsel – I have attached a list of the sentencing that the government intends to introduce at the sentencing hearings for your clients. Many of these exhibits are the data underlying the Data and Summary of Findings exhibits prepared by DOT SA Amanda Yarborough. All of these exhibits have previously been provided to you by the government back in May as part of the discovery process. If you have any difficulty locating these exhibits in the discovery, please let us know and we will send you another copy. Steve
