

Welcome.

Congrats, you now have plans tonight. End of story, you're going out. You have a job to do. Follow these steps and I will ensure you have a great FROG WEEK guaranteed.

1. Leave your suite door open all of frog week, except when no one is here and when you are sleeping
  - a. This ensures the greatest possibility of you all meeting as many people that come to your door, it shows that you guys are open to meeting new people, but more importantly, the babes.
2. Go to all mandatory frog week events held by your frogs.
  - a. This ensures you have an unforgettable frog week
3. Go to your community meeting (dorm meeting: I believe Hanson's is 7:30 pm, I don't [expletive] know)
  - a. This ensures you get a glimpse of your RA's (maintain a positive relationship with all of them, especially [name]), the cool guys in your dorm (which you need to befriend), and most importantly all the hot tail in Hanson as well
4. Get dressed quickly and go out and party your face off, if you wear cargos or socks with Sperry's you will be castrated. Turn up the Casanova level to "I'm not settling for anything less than a solid 8 tonight."
  - a. This ensures you look and more importantly, smell, smashing before you continue to the next step.
5. I have written a list of hot girls and their suite/room in Hanson. Now this is a little creepy thing to do but necessary so let's keep this low key. You must travel together to all of the suites on this list, and invite these girls to the parties (social schedule will also be attached). You are to introduce yourselves, build rapport (if you don't know what that is look it up you degenerates), invite them (their whole suite) to the party of the respective night, and tell them to come up to your suite around 9pm to pregame. Don't forget to get their phone #'s. Now I'm praying you guys brought liquor or something that allows you to pregame.
  - a. Mind your pregame drinking: you don't want to be the first one down before you even leave the [expletive] dorm. You can take off your wardrobe doors for a beer pong table (I did this), drinking games make for awesome pregames (invest in a table together). There will also be guys on this list I have given you. I have deemed them cool enough to tag along. Also, do not just go to the suites on the list I have given you, go to ALL of A section, it's all girls (thank you lord).
6. Around 9:30-10pm tonight, I will come get you all. Y'all better have girls there. Also, like I said above, DO NOT show the girls this or tell them anything about me, they cannot know about this.
7. Add me in your contact, "[name] FIJI" (Phi Gamma Delta), ###-###-####, text me immediately your first&last name, suite #, and a picture of your face (fb profile pic works I don't care) and tell the guys you're with to do the same.

8. Remember I'm not doing this to be a tough guy or any of that [expletive], I'm a fun guy that likes to have a great time. I'm doing this to recruit potential members of my fraternity and ensure you freshmen have the FROG week of your lives

Note: Never start a fight at a frat party, there's 1 of you and 72 of us, and remember you are a freshman, enjoy it.

Congratulations gentlemen, you are now potentials. Your goal once you get to the party- meet brothers and get with girls, we will do whatever we can to try and get you guys laid.

Thank you, see you soon.
