RE: B.P.O.E. #450, Rezoning Application

To Whom It May Concern:

The Harrisonburg Elks Lodge at 482 South Main Street wishes to apply for a rezoning from R-3 to B-2. Our purpose is to open our kitchen and dining facility to the public and function as a restaurant in part of our building. As indicated on the attached sheet, we are proffering to eliminate most uses currently allowed under B-2 and retaining those related to specific current or anticipated uses.

We have a modern up to date kitchen which meets Health and Fire Department requirements. We will not be adding any addition to the existing building or open any drive through area. We will also not be serving liquor (beer and wine only) in that area of the building.

We have a very large parking area and do not believe the restaurant will have a significant effect on our parking needs. By changing to B-2, we understand, and in fact intend, to move in a direction that helps preserve our existing building and eliminates redevelopment possibilities that are available under the current R-3 zoning.

Let me know if you need anything further from us.

Sincerely,

Douglas F. Bowman
Chair, House Committee
