A Message From Superintendent Taylor:

Staff, students, parents, and our community: On Wednesday, April 1, 2020, the Governor issued Executive Order 20-91, Essential Services during COVID-19. I want to take this time to assure the staff, students, and parents of Washington County School District, that schools are considered essential. All personnel will continue to be actively involved in our virtual learning to maintain educational continuity while students remain at home. Meals will continue to be provided to all children under the age 18. Along with the meals, our bus drives will be delivering learning packets. Please continue to keep in contact with your child's school. During this time, continue to observe social distancing and limit groups to 10 or less, per our guidelines. Also, continue to monitor our District Website at www.wcsdschools.com and our Face Book for up to date information.

Teachers, paraprofessionals and 12-month staff: Each school will continue to have personnel answering the telephone during the hours of 8:00am and 3:00 pm to help families and students. The District Office will be open and available by phone from 8:00 am until 4:00 pm at 850-638-6222. All education-related personnel are considered essential during this time of need for Washington County. Our number one goal continues to be safety first and helping our students and families.

If you have any questions, please feel free to contact me.

Sincerely,

Joseph Taylor
