Dear Senator Casperson:

It is my pleasure to announce the selection of a Transportation Economic Development Fund Category F grant in your district. A fiscal year 2018 grant has been awarded to the city of Escanaba for 3rd Avenue North. The grant is for actual construction costs up to the approved amount of \$157,457.

Category F grants are competitive grants made to eligible road agencies to preserve and/or expand all-season road networks within the urban areas of rural counties. Representative Lafave has also received this information should you wish to formulate a joint press release.

Thank you for the opportunity to share this important information. Should you have any questions, please contact me at (517) 335-1069.

Sincerely,

A handwritten signature in blue ink that reads "Michael B. Kapp".
