

Message from North Central District Health Department:

Crofton Public Schools plan to close school March 11th-13th, including all school events and activities, out of precaution to limit exposure to a presumptive positive COVID-19 case.

On the evening of March 10th, North Central District Health Department (NCDHD) was made aware of the first presumptive positive coronavirus case in our district. The person is a high school student who attends school at Crofton High School.

Potential exposure events that community members should be aware of include:

- Girls State Basketball Hartington Cedar Catholic vs. Weeping Water Game held in Lincoln, NE on March 5th at 9:00 AM. This game was held at Lincoln Southwest High School. Exposures may have occurred in the Hartington Cedar Catholic general fan section.
- Girls State Basketball Crofton vs. Bancroft-Rosalie/Lyons-Decatur held in Lincoln, NE on March 5th at 7:00 PM. This game was held at Lincoln North Star High School. Exposures may have occurred in the Crofton general fan section.
- Crofton Elementary fourth-sixth grade students and staff who attended school on March 10th

If you believe you have a fever, cough, or shortness of breath, please stay home and away from others. If you feel you are sick enough to see a healthcare provider, please call ahead.

NCDHD will be gathering more information tomorrow, March 11th, on individuals that feel they were exposed. The school closure situation will be re-evaluated Friday.

Information on how to best protect yourself if exposed will be sent out in the morning once provided by NCDHD.
