Three Rivers Public Health Department confirms additional cases of COVID-19 from Mass Testing on May 18th

Three Rivers Public Health Department (3RPHD) worked with the Nebraska Department of Health and Human Services and Nebraska's National Guard to conduct a mass testing event on Monday, May 18, 2020. The event was held at the Saunders County Fairgrounds in Wahoo. 3RPHD worked in collaboration with local partners to identify potential candidates for testing. Additionally, close contacts of previously confirmed cases were also invited for testing. In total, 194 individuals were tested.

From the testing event, 4 new confirmed cases were identified (there will be a press release later in the day to give the most up to date County numbers):

- 1 pediatric case in Saunders County
- 2 adults in Saunders County
- 1 adult in Dodge County

Please be aware of the COVID-19 symptoms, which may include a fever, cough, sore throat, severe fatigue, loss of taste and smell or difficulty breathing. In most cases, a person will have more than one of these symptoms. Anyone who has COVID-19 symptoms or develops symptoms should contact their health care provider and tell them how you are feeling and any possible history of exposure. Please call ahead before you go to the doctor's office or an emergency room.

For more information about COVID-19 please visit www.threeriverspublichealth.org, <http://dhhs.ne.gov/coronavirus> or call United Way's 2-1-1 Resource Hotline.
