Synopsis Case #16-01

Action Taken on August 5, 2016

Respondent: Bill Kintner

The Respondent is a member of the Nebraska Legislature. On January 7, 2016 a preliminary investigation was commenced against the Respondent by the Executive Director of the Nebraska Accountability and Disclosure Commission. The allegation was that the Respondent used public resources under his official care and control other than in accordance with statutory or regulatory procedures in violation of §49-14,101.01(2) of the Nebraska Political Accountability and Disclosure Act. The allegations arose as the result of a report prepared by the Nebraska State Patrol indicating an improper use of a state owned laptop computer assigned to the Respondent.

The parties entered into a settlement agreement by the terms of which the Commission could find a violation of §49-14,101.01(2) and assess a civil penalty of not more than \$1,000.00. The Commission approved the Settlement Agreement, found a violation and assessed a civil penalty of \$1,000.00 with seven Commissioners concurring, no Commissioners dissenting, and no Commissioners abstaining.

Violation: Pursuant to the Settlement Agreement, the Commission found that the Respondent had used his public office for personal financial gain in violation section 49-14,101.01(2) of the NPADA.

Civil Penalty: \$1,000.00
