NOTICE OF TORT CLAIM

Dear Clerk:

Notice is hereby given of the Tort Claim of [REDACTED] pursuant to the Political Subdivision Tort Claims Act, *Neb.Rev.Stat. § 13-905 et seq.* (Reissue 1998).

The Complainant was incarcerated at Douglas County Corrections (DCC) at the present time.

While incarcerated on April 5, 2017, Tevin White was involved in an altercation with another inmate. Immediately following he complained that his leg was seriously injured. He was taken to the medical unit but the nurse refused to treat him and advised that the physician did not want to see him unless "there was blood or a bone was sticking out." He was sent back to his room without treatment. Mr White repeatedly asked for care from that date through April 24, 2017 when he was finally seen by a doctor. On April 26, 2017 his hip was x-rayed. On May 8, 2017 Mr. White was advised that his hip was broken. Mr. White awaited surgery until May 15, 2017, where he underwent surgery at Bergan Mercy to repair his broken hip.

Douglas County Department of Corrections failed to provide proper medical treatment, and the negligent, improper, and incomplete treatment which the Complainant has received is the direct and proximate cause of the Complainant's injury and damage.
