DANIELLE PEARSON

CUT-A-THON

MONDAY, FEBRUARY 3 - 12:30 p.m. - 7:00 p.m.

(Snow date - Monday, February 10)

PENTA CAREER CENTER - Cosmetology Department

9301 Buck Road Perrysburg

Cosmetology Entrance DOOR # (E3) along front parking lot

We will be providing haircuts, shampoo and styles, facial waxing, and basic manicures for a **MINIMUM donation of \$5.00. All money will be donated to Danielle's family to help with medical expenses. Danielle is a former Cosmetology student who contracted the flu and was admitted to the hospital Christmas morning. Her condition worsened to the point that her lung collapsed and she was life-flighted to Cleveland Clinic. Due to further complications, her leg was recently amputated above the knee. She continues to have almost daily surgeries in order to repair damage from infection and will eventually need a costly prosthetic leg.**

We have many former licensed students coming to help, along with our current students.

We will also have a Bake Sale running at the same time.

See you at the Cut-A-Thon on February 3rd!

Thank you so much in advance for your support!
