NARRATIVE

Supplement to Report #: 1220-19
Date: 12/21/2019
Time: 2350 hours

On December 21, 2019 at approximately 2350 hours Marcus Dilly came to the Port Clinton Police Department to report his 14 year old son missing. Marcus stated his sons name is Harley Dilly. Marcus advised me that Harley was mad because he had broken his phone and demanded that they get him a new one. Marcus stated Harley was angry because they told him he needs to earn it. Marcus also stated there were other incidents where Harley wouldn't come home from school on a Friday and then wouldn't return until Saturday morning. I asked him if he filed police reports those times and he stated he did not.

I asked Marcus what made him come in at midnight to file a report and he stated he thought it Harley was gone too long because he had normally returned in the morning the other times. I asked Marcus if anything had happened to make him think Harley is in danger and he stated no and that it was because of the length of time he was gone. I asked Marcus if Harley was suicidal or has ever had a history of that and he said no. I asked if we had any reason to believe that he was in danger and he said no. Marcus also informed me that Harley has ADHD and has Autism. Marcus stated that he is high functioning and very smart. I asked Marcus if Harley would know enough to get out of the cold and he stated he would. Marcus added that he was a baby when it comes to being cold.

I questioned Marcus about Harley's friends and he stated he knew one of his friends name is [REDACTED] and he lives on [REDACTED] by the resale shop. Marcus also stated he had two other friends named [REDACTED] and [REDACTED] that live on [REDACTED] near the dead end. I responded first to [REDACTED] where I spoke with a male subject. He advised [REDACTED] is his grandson and he lives on 7th St.

I then responded to [REDACTED] at 0022 hours and spoke with [REDACTED] who confirmed that his son is friends with Harley. [REDACTED] stated his son is sleeping but advised me that Harley and [REDACTED] were with his son on Thursday after school. [REDACTED] advised when he saw Harley last he had stated he was heading home. I asked Mr. Crowe where [REDACTED] lives and he stated [REDACTED] [REDACTED] advised that he took [REDACTED] and his son to a Cavs game on Friday night. I was familiar with [REDACTED] from a call I had at his residence a week prior.

I then responded to [REDACTED] while Ptl. Fuiava went with the father to check [REDACTED] I met Ptl. Fuiava at the intersection of [REDACTED] to have [REDACTED] follow him to the residence. Later Ptl. Fuiava advised there was no answer at the door.

DISPOSITION I PENDING INVESTIGATION			DATE 12/22/2019

I spoke with Harley's mother Heather Dilly on the phone at this time and she suggested we check Harley's ex-girlfriends house at [REDACTED]. Heather advised me her name is [REDACTED] and her dad's name is [REDACTED]. I contacted dispatch over the radio to ask an apartment number and they advised it was apartment [REDACTED]. Heather also advised me that the last time she saw Harley was Friday morning when he was trying to get out of going to school and stated he didn't feel good. Heather stated she told him to get his ass to school and as far as she knew he had left and went to school.

I made contact with [REDACTED] and he stated he saw Harley on Friday after school. [REDACTED] stated Harley came over and knocked on his door wanting to know if he could go to the Cavs game as well. [REDACTED] stated they didn't have anymore tickets. I asked [REDACTED] what Harley was wearing and he stated a red coat with gray sweatpants and black tennis shoes (Lebron's).

I then responded to [REDACTED] and made contact with [REDACTED]. [REDACTED] stated his daughter [REDACTED] was sleeping. [REDACTED] stated he knows Harley and he hasn't seen him there in over a week. [REDACTED] advised that he would keep an eye out for him. I advised him to speak with [REDACTED] in the morning and to contact us if she has any additional information.

I then responded back to the Police Department to speak with [REDACTED] further and Ptl. Fuiava responded to a crash. [REDACTED] stated that he was still parked on [REDACTED] after Ptl. Fuiava had to respond to a call. [REDACTED] stated at that time he observed someone walk up to the house and enter it at [REDACTED] where they were unable to make contact with anyone.

I responded to [REDACTED] and made contact with a female subject who was later identified as [REDACTED]. She advised me that she had not seen Harley since Thursday when he was there playing with her kids.

I then spoke with [REDACTED] and advised him he could return home and to contact the Police Department if he finds out any additional information. I also explained that I would issue a BOLO for Harley. I then responded to the Police Department and had dispatch issue the BOLO for Harley.
